Re: Public Records Act Request dated June 30, 2010.

Dear Mr. Figueroa:

This office represents the Kings County Sheriff's Department. We received your public records act request on July 6, 2010.

You requested "any and all documents or information concerning medical marijuana, Proposition 215 (codified as Health and Safety Code §§ 11362.7-11362.83), and/or the recent California Supreme Court opinion in the landmark case of *People v. Kelly* (2010) 47 Cal.4th 1008, including, but not limited to, any and all bulletins, orders, directives, policies, and/or guidelines. Additionally, I also request copies of any and all documents or information concerning medical marijuana caregivers, clubs, dispensaries, collectives, cooperatives and/or associations."

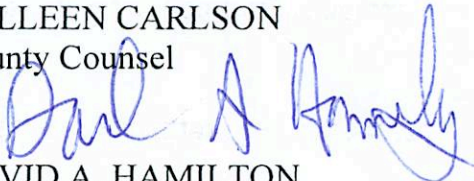

Please be advised that the Sheriff's Department is not in possession of any documents responsive to your request.

Feel free to contact me if we can be of further assistance.

Very truly yours,

COLLEEN CARLSON  
County Counsel
