Re: Public Records Request:

Dear Mr. Figueroa:

We are in receipt of your letter dated June 30, 2010 requesting documents under the Public Records Act. I note that although you have dated your letter June 30, we did not receive it until July 12, 2010.

I regret to inform you that we cannot at this time comply with your request. The request is too vague and ambiguous to allow us to respond and it appears to ask for documents which may be privileged medical records. If you wish to submit a more specific request which conforms to the Public Records Act and which does not ask for privileged material, we will be happy to review it.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael J. Reinhart".
